**WHAT HAPPENED HERE?  
COME JOIN US FOR THE ANSWERS.**

The Massachusetts Consultation Program is offering *free* half-day Occupational safety seminars designed to help employers and employees with recognition and control of industrial safety hazards and achieve compliance with OSHA regulations. The seminars also are designed to assist employers in developing an effective safety and health program. Topics presented at these training seminars will include:

- |                                         |                                               |
|-----------------------------------------|-----------------------------------------------|
| ★ <i>General Health Exposures</i>       | ★ <i>Safety Color Coding</i>                  |
| ★ <i>First Aid/Bloodborne Pathogens</i> | ★ <i>Compressed Gas Cylinders</i>             |
| ★ <i>Ergonomics</i>                     | ★ <i>Welding Safety</i>                       |
| ★ <i>Hazard Communication</i>           | ★ <i>Personal Protective Equipment Update</i> |
| ★ <i>Dust, Vapors and Fumes</i>         | ★ <i>Respiratory Protection</i>               |
| ★ <i>Flammable Liquids</i>              | ★ <i>Safety and Health Program</i>            |
| ★ <i>Hearing Conservation</i>           | ★ <i>Management</i>                           |

Each attendee will receive a free safety and health manual.

Space is limited so please register early. Questions? Call Jean Cho or Susan Humphreys (617)969-7177.
